

CRAFT ENGINEERING APPRENTICESHIPS 2018

APPRENTICESHIP PROGRAMME (BEL02174)

Let your career take off!

Doing is one of the best ways to learn. Develop your skills and acquire valuable experience in a fast-paced, challenging and results-driven global organisation. Combining study with on-the-job learning, our apprenticeships offer an exciting opportunity and provide the foundation for a career in aeronautical engineering. If you are hardworking, passionate and ambitious, we want to hear from you.

We are delighted to announce that we will be recruiting 20 Craft Engineering Apprentices to join Bombardier in October 2018. Successful candidates will work towards attaining NVQ Level 3 and BTEC qualifications on the Aeronautical Engineering Framework. To be eligible for consideration, candidates must possess, or be working towards attaining, the following minimum qualifications **by 31st August 2018**:

Qualification Requirements

Four GCSE passes in the following subjects:

Mathematics	minimum Grade B
English Language	minimum Grade C
Science or a Technology based subject	minimum Grade C
Any other subject	minimum Grade C

Essential Skills, Key Skills or City & Guilds, at the appropriate level, will also be considered as acceptable equivalents.

Department for the Economy Eligibility Criteria

Applicants should be aware that the selection of successful candidates will be made in accordance with the eligibility criteria for the funding of the ApprenticeshipsNI 2017 programme, as set out by the Department for the Economy. Candidates who already hold a Level 3 qualification that appears on the ApprenticeshipsNI Level 3 Aeronautical Engineering Framework will not be eligible for funding and will therefore not be eligible to apply for a place on the programme. Please refer to the Framework document: <https://www.nidirect.gov.uk/publications/engineering-level-3-framework> Pathway 1, Aeronautical Engineering, Annex 1. Bombardier will verify DfE eligibility prior to the offer stage.

HOW TO APPLY

For more information and to find out how to submit an online application, please refer to the Apprenticeship Programme details in the Careers section of our website: uk.bombardier.com

Completed application forms must be submitted by Friday 25th May 2018

If you are unable to complete the online form, please contact our Resourcing team on 028 9073 3573.

The selection process will include a series of online aptitude tests and a face-to-face interview. Those candidates who are successful at the testing stage will be invited to attend an on-site information session and tour, prior to the interview stage.

Please note, the primary means of communication will be by email. **Please ensure you provide a relevant email address and check your emails regularly.**

The company employs people from all sections of the community and is committed to the appointment of the best candidate based upon the merit principle alone. In pursuit of our equal opportunities programme, we would particularly welcome more applications from Catholics and females, as these groups are currently under-represented in our workforce.
